

Bad food, Black kitchens and unethical practices

<https://www.dailymail.co.uk/news/article-8801847/Deliverooos-dark-kitchens-Investigation-reveals-meals-famous-brands-cooked-CAR-PARKS.html>

when I read the contents of the link above I realized how little do we know about the source of our meals, and food in general, I thought I share it with people who care, it made me believe stronger and more passionately now about the EFAHO direct platform, please read the article and make up your minds.
